Dear Friends,

Please accept my deepest thanks for your generous monthly partnership to New Life Prison Ministries. Your ongoing support means so much to us!

We wanted to take a moment to share with you some of the exciting things that your gift is helping accomplish. So far this year we have...

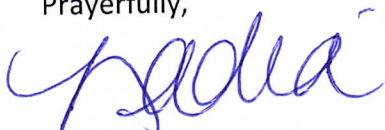

- Marked and responded to more than **9000** studies
- Mentored more than **1400 inmates** across Canada
- Supported more than **130 Chaplains** with Bible studies, materials, and prayer
- Received more than **115 Salvation** confirmation messages from inmates

This year we have already seen an increase in the number of students completing courses and we continue to make an impact even though we were faced with one of the toughest seasons in ministry. God is transforming lives through our Bible studies, ARC devices and instructor mentorship. We are thrilled to be growing even in these uncertain times.

While these statistics tell a story of how faithful God has been to the mission of New Life Prison Ministries, I feel that this note from a recent student letter truly expresses the impact. David writes, "**With over 24 years of my 46-year-old life spent in federal prison, I admit that I am not terribly intelligent, but these courses bring me closer to God and following Jesus is my only mission now.**" David has completed more than 27 studies since beginning with NLPM in 2020 and his instructor shares that his journey has been a blessing to witness. We are very thankful for his transformation.

It is with consistent support like yours that we can continue this work. From the Board of Directors, staff, and students at New Life, we want to thank you for being so faithful and generous!

Prayerfully,

Nadia Zerversenuke
Executive Director, NLPM
