Dear Friends,

New Life Prison Ministry

Merry Christmas and Happy New Year! Thank you for partnering with us in sharing the good news of Christ's advent through this special gift of \$725.00 towards the Wyatt Support Fund here at Galcom.

My kids are older and at an age where they are "going in together" on gifts for my wife and me. They want to get us something meaningful but are not in a position to do that individually, so they pool their funds and their ideas to show their love to us. I feel like we are "going in together" on gifts of radios to people around the world so they can hear about Jesus Christ. This is our expression of love, both to God and to the lost.

It's also an expression of love to the missionaries we are supporting, by sending these radios to them to distribute so they can expand their reach and multiply their impact. Missionaries like these:

Nadia Zeversenuke, Director of New Life Prison Ministries, who recently received 1,000 special-model audio Bibles from Galcom to distribute in Canada's jails. During COVID, when chaplains could not enter prisons to do ministry, their list of correspondence students tripled. Inmates needed hope and human connection. The audio Bibles let them connect with more people at a time. Kyle writes, "I wish I knew God before I went to jail—I have learned so much about Him...knowing that someone cares for me and is praying for me has changed everything!"

... Continued

Jan Erik Nyman, Director of IBRA radio in Africa. We have been partnering with him in Mozambique. The need is overwhelming: internally displaced people are fleeing the north where there is terrorist activity and settling in Pemba, close to their radio station. Jan-Erik reports that there are now 550 listener groups gathering regularly to listen to Galcom ImpaX players, which have with the Bible in their mother tongue added to the solar-powered, fix-tuned radio. Why listening groups? One reason is to spark conversation and discipleship activities; the second is that there simply aren't enough Galcom radios to give to each household. Listening groups can number up to 25 people.

A South Sudanese Refugee in Uganda

and

Don McLaughlin of Bible Voice Broadcasting. The very first Galcom radios (the Go-Ye model) were tuned to Voice of Hope in Lebanon, a Bible Voice ministry. Now Don and his team are doing extensive work in refugee camps in Uganda, ministering to South Sudanese displaced by the continued unrest in their home country. We have 2,000 ImpaX players sitting in our warehouse, waiting for word from Don that it is safe to ship. Red tape and bureaucracy have held up the shipment for months, but we've just shipped a smaller order of a few hundred to test out a new customs broker and method of shipping. If these go through, we will be able to ship the rest.

It's said that it is better to give than receive; well, I pray that you will receive abundant blessings from God this Christmas season, just as you have been a blessing to others! Thank you again for your partnership with us.

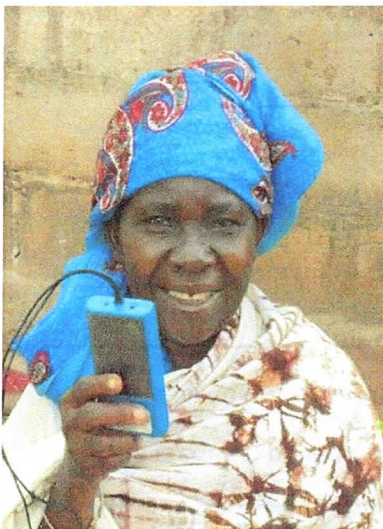

With you in Christ's service,

A handwritten signature in black ink, appearing to read "Tim Whitehead".

Tim Whitehead  
Executive Director

Dear Friends,  
We trust that you are all well.  
We want to thank you all for  
your partnership with us & with the ministry.  
We had a nice Christmas & New Year but C  
did need to put Al's mom into hospital. We  
are praying for wisdom as to where she will go after  
Year-to-date total for all gifts: \$11,400.01 she is released.  
al & Shelley

Please note that you will receive your official receipt for income tax purposes early in the new year.

An ImpaX recipient in Mozambique

Each morning, Galcom staff and volunteers meet together for a time of prayer.  
Please share your needs and praises with us and we will be honoured to bring your  
request to our Heavenly Father.

Please pray for:
