

We need your help!

September 16, 2022

Dear Friends,

I am thrilled to report that God is growing His reach through New Life Prison Ministries! We are just nine months into 2022 and are on track to help 20% more students than last year. This means we are processing more Bible studies and welcoming new students every day. We are also thrilled to report that we have seen more than 188 salvation messages from students this year!

We have an urgent request, and we need your help!

While this growth is exciting, it has created a financial need to help support one of our hallmark programs. Last year with the help of Galcom Canada we delivered more than 1400 ARC devices (Audio Recordings for Christ) to inmates across our nation. These devices provide 180 hours of recorded content, including our Bible studies, to inmates who struggle to read. This is one of the innovative ways that NLPM delivers the transforming message of the gospel and introduces students into a mentoring relationship with our instructors.

We need to deliver more ARC devices this fall!

Since the pandemic, more chaplains are ordering ARC devices than ever before. Many chaplains have used these devices for Bible study purposes connecting inmates with our courses, but they have also served as comfort during the long hours of lockdown when dealing with Covid 19. We were thrilled to find out that inmates were given ARC devices to help them deal with anxiety, loneliness, and depression. This has increased our reach into institutions that have never used NLPM resources, and we are so thankful for this growth.

We have many orders for ARC's waiting to be fulfilled right now!

With the help of Galcom Canada we are hoping to send out 1500 devices within the coming months, and we need your help to make this happen. It costs NLPM about \$25 to send an ARC device to an inmate. That means we need to raise \$37,500 to deliver all 1500 units received by Galcom. ***We are asking you to prayerfully consider financially supporting one, three or maybe even ten ARC devices this fall.*** We have included a donation card and return envelope to help make this easy for you.

We understand that not everyone can help financially, but we hope we can count on your prayers for this project. We know that God will use this device to transform lives and we are so thankful that He continues to open doors for NLPM to serve inmates.

Thank you for your consideration and partnership – we are blessed to serve alongside you to help transform lives with the gospel message!

Prayerfully,

Nadia Zeversenuke
Executive Director
