Subject: Together is Better- Please come to a collaborative meeting to meet needs of Homeless in London

Please pass on to faith leaders in our community who may want to engage
Dear Church Leaders in London,

Winter is coming and an estimated 4-600 people are living unsheltered and on the streets of our city. Community organizations have been meeting to explore what can be done to provide additional sheltering and life saving measures during the winter months and beyond as current resources in our community are stretched and functioning at capacity. As these discussions continue, there is an amazing opportunity for communities of faith to add and multiply impact by offering what we have collectively to expand and meet the needs of the most vulnerable among us in the ways our faith instructs us to care for the poor and hungry.

On September 27 at 2 pm we are inviting all church leaders who are interested in collaborating or considering how their congregation might participate in supporting practical care of the homeless community to joint a meeting at First St. Andrew's Church, 350 Waterloo St. or via [this Google Meets link](#). The meeting will be co-facilitated by Rev. Joshua Lawrence of First St. Andrew's and Rev. Kevin George of St. Aiden's. We will discuss specific needs for space, in-kind donation gathering of supplies and volunteerism as well as financial needs. We hope that many communities of faith will attend. Please RVSP by filling out [this form](#) so we can anticipate your involvement!

Thank you so much, Yours in Service and Love,
Sarah Campbell, Rev. Joshaua Lawrence and Rev. Kevin George
