

Summer UPDATE 2022

"Let us not become weary in doing good, for at the proper time we will reap a harvest if we do not give up."
~ Galatians 6:9 (NIV)

We trust that this summer update from The Cross Current finds you ready to reap a harvest of souls for the Kingdom!

As we look expectantly to the mission field before us, this brief newsletter will give you a glimpse of how we've been equipping all sorts of saints for evangelism in gospel partnership together.

Equipping *Young Adults* for Evangelism

In July, The Cross Current had the privilege of co-pioneering the Renewed Conference (renewedconference.com) in gospel partnership with The Great Doctor Ministries. This new conference served primarily to equip English-speaking young adults of Arab parents for personal evangelism.

One young adult who participated testified as follows:

"I would strongly recommend more Christian young adults take evangelism training with The Cross Current because it helped me overcome barriers which would often prevent me from evangelizing. I learned how to appeal to others in a culturally appropriate manner, all while not compromising the truth of the gospel." ~ Roy T.

Two parents who supported the event also shared:

"After attending Cory McKenna's seminars at Renewed Conference, we started taking evangelism much more seriously. We are now making an effort to implement Biblical Conversations in every environment we are in.

We are now really eager to continually encourage our young people to evangelize to their own peers and loved ones."

~ Sam & Mary Y.

Finally, conference coordinators Peter and Rima Tadros testify:

"After seeing the amazing impact the course of evangelism had on our young people, we would like to encourage all churches or Christian groups to consider introducing the course to their participants."

~ Peter & Rima Tadros

Equipping *Global Missionaries* for Evangelism

In June, Cory McKenna was invited to equip the saints around the world on Al Karma TV (alkarmatv.com), an Arabic Christian Channel purposing to fulfill the Great Commission. This free satellite channel broadcasts 24/7 from satellites that cover North and South America, the Middle East, North Africa, Australia and Europe.

The program host had this to say about the international impact of working with Cory and The Cross Current:

"It has been a joy to host Cory in Al Karma TV. Joined by young people, we have been demonstrating the power of the gospel of our Lord Jesus Christ, and the importance of defending it. I highly recommend leaders and youth to watch those three episodes on the importance of being an evangelistic church (for leaders), and on presenting and defending the gospel. I thank the Lord for Cory and The Cross Current ministry, and their God exalting Christ centered approach."

~ Rev. Dr. Rafik Wagdy, President of Message to All Nations

Equipping *Local Missionaries* for Evangelism

The Cross Current has been hosting annual Gospel Outreach Team mission trips to Niagara Falls since our ministry was founded in 2007. This month we equipped by example more than 40 local missionaries from 7 different churches to pass thousands of gospel tracts, have countless one-to-one gospel conversations, and even preach the gospel in the open air to the many locals and tourists in the Falls.

Equipping *Evangelists* for Evangelism

Equipping Evangelists Coaching with The Cross Current helps leaders first discern qualified candidates for this role and then disciple them to become equipping evangelists in their own local churches.

Here's what one leader had to say about how our coaching has impacted his ministry and church:

"Our partnership with The Cross Current has been a life-giving and stretching endeavor. My involvement in The Personal Evangelism Training and the Equipping Evangelist Conference has defined and shaped the direction of the evangelistic culture at our church. As I continue to participate in the personal coaching stream, I have had the opportunity to glean a more hands-on approach and training to equip our church that is specific to our area." Andrew Hall, Associate Pastor, Faith Baptist Church
