Dear Friends,

Handing out radios in South Sudan

Merry Christmas! Thank you for marking the season with us by making this special gift of \$600.00 towards the McGuirl Support Fund. There is no better way to celebrate the coming of Jesus than to tell someone who has never heard of Him about His saving love.

Normally at this time of year, we take a pause to look back at all that God has accomplished through your partnership with us; but we are so busy, we have to keep our eyes on the road ahead!

We are rushing to load special content on 1,000 custom clear-case audio Bibles for New Life Prison Ministry. As soon as we are done, we need to start work on 5,000 audio Bibles for VOM workers in West Africa. We need to have these done by mid-January.

While all that work on audio Bibles is going on, we also need to complete 2,000 solar-powered Go-Tell radios for our FEBC partners in Mongolia. In addition to these 2,000, we are trying to get them some special equipment to re-tune 1,400 radios we sent a couple years ago, as the government has changed their broadcast frequency. Our radios are tamper-proof, so there is no way for them to make the change without our proprietary software and some special equipment that we need to set up here in our production facility.

While we're loading all those audio Bibles and assembling all those Go-Tell radios, we need to make 3,000 ImpaX players for a conglomerate of ministries working in Nimule, South Sudan. There is a huge internally

displaced population there from several different tribal groups, so we have put all the skills of our Audio Technician Ken Tompkins to the test on this. But he has risen to the task; he has been able to include New Testaments for seven different languages and all sorts of teaching programs from Global Recordings, The Jesus Story, and others to bring the listeners comfort and instruction.

On top of all this work in radio production, there is, of course, our big focus on the efforts right here in Canada in partnership with Radio Espoir. Please pray that during this month we will be able to travel to Brownsburg, Quebec and install all the broadcast equipment for the mother station. This is just the first step in a long journey back and forth across *La Belle Province*, where we hope to install several repeater stations to reach tens of thousands more with the Gospel daily in Quebecois.

Annabelle Perron manning the prayer line in Quebec

With all this work ahead of us, we need your help. Please pray for the ministry of Galcom daily. During a recent staff prayer time, our Missions Team Lead Al Wyatt prayed that God would help us navigate through this difficult time where we cannot see our destination clearly. I agree: it's like we're sailing in a deep fog, trusting that we are heading in the right direction. We have faith that God will bring us through, and with your help we will accomplish the task. He has called us to reach the world through radio. Thank you for your partnership with us.

With you in Christ's service,

Tim Whitehead
Executive Director

Year-to-date total for all gifts: \$14,221.11

Please note that you will receive your official receipt for income tax purposes early in the new year.

Each morning, Galcom staff and volunteers meet together for a time of prayer. Please share your needs and praises with us and we will be honoured to bring your request to our Heavenly Father.

Please pray for:
