

Ark Aid Street Mission is trying a hybrid indoor meal service and takeout meals being served from 5-6pm daily and has COVID-19 protocols in place to keep clients and volunteers safe.

Maureen Hodgins from CBC Ilderton and Colleen Goldberg from CBC are looking to restart teams from both locations. CBC will be serving the second Friday of every other month starting December 11 from 4:30 - 6:30. We need teams of 10 to make this possible. Can you help?

If you are interested in volunteering but Friday's do not work please email me as we are trying to put together another team for a different night in a different week.

Please email me if you are interested or have any questions - Colleen at c.goldberg@quadro.net

**If you are interested in putting together a team of 10 colleagues/ friends/ neighbours to serve dinner once a month from 4:30-6:30pm, call Wayde at 519-667-0322.

Or, if you want to join a team at the Ark to serve one evening a week from 4:30-6:30pm call Wayde at 519-667-0322.
