As a Community of Christ followers we worship:

An **ALL KNOWING** God, a God who is omniscient, nothing past, present or future is hidden from Him... there is nothing that surprises our all knowing God... vv1-6.

A God who is **EVERYWHERE**, transcending time and space – a God who is omnipresent...He can be experienced in any place by those who want to know Him.....vv 7-12

A God who is **ALL POWERFUL**...super hero's move aside – a God who is omnipotent...who can do all things that are in accord with His will and purpose...vv 13-16

Possible responses for you to personalize:

We should desire God's **THOUGHTS**...vv 17-18

We should seek God's **JUSTICE**...vv 19-22

We should **GROW** in God's **HOLINESS**...vv 23-24

We should **CELEBRATE** with the Psalmist that we worship an **ALL ENCOMPASSING** God who pursues us in love and grace.
